INSTRUCTION FOR ORDER

As set out below, we list in detail the basic codification rules used in this catalogue to make it as easy as possible for you to place your orders. All codes have a number and/or letter sequence which provides you information about the collection, kind of product, item number, variations and finishes. The codes that appear in this catalogue match with the item shown in the picture.

Articles code ending in .99 represent components or mechanical parts without finishing.

You should replace the asterisks by the selected finish code from our bathroom fittings finishes you can find above.
