Retro series

Extended Version

Desde 1952, los maestros artesanos de Bronces Mestre han creado piezas de reconocido prestigio en todo el mundo.

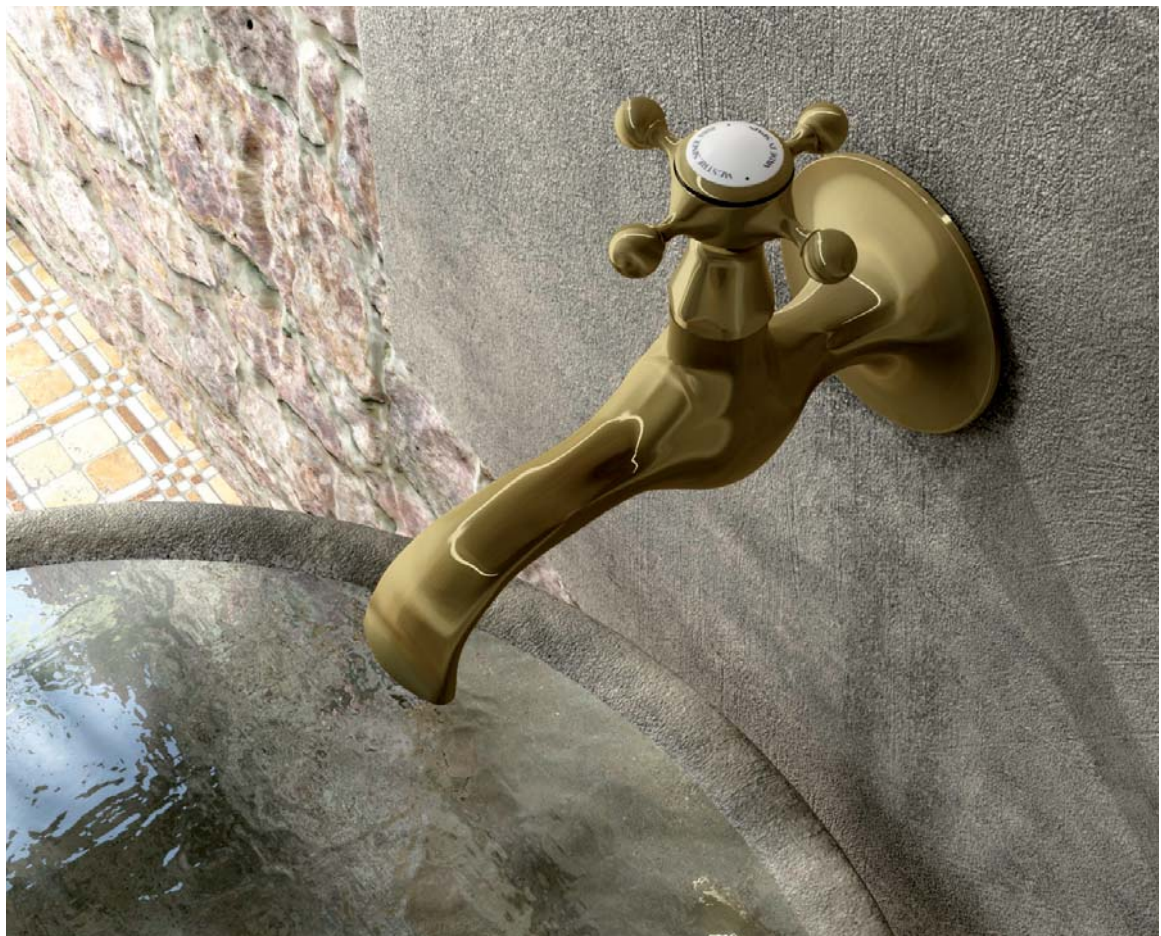

En este catálogo presentamos la serie Retro Version Ampliada a la que hemos incorporado nuevas opciones y modelos.

En esta colección ofrecemos desde un grifo auxiliar hasta un sistema Shower System, con acabados en oro, latón antiguo y cromo, manetas y botones de porcelana negra y blanca, lo que hace que posiblemente, sea la serie más extensa del mercado en su estilo.

Esperamos que sea de su agrado.

Since 1952, the master craftsmen of Bronces Mestre have created pieces renowned throughout the world. This catalogue presents Retro Series Extended Version to which we have added new options and models. In this collection we offer from an auxiliary faucet until a Shower System, finished in 24K gold plating, antique brass and chrome. Handles and buttons Black and white porcelain, which makes the most extensive series of the market in this style. We hope you will enjoy it.
