ARTISANAL ESSENCE

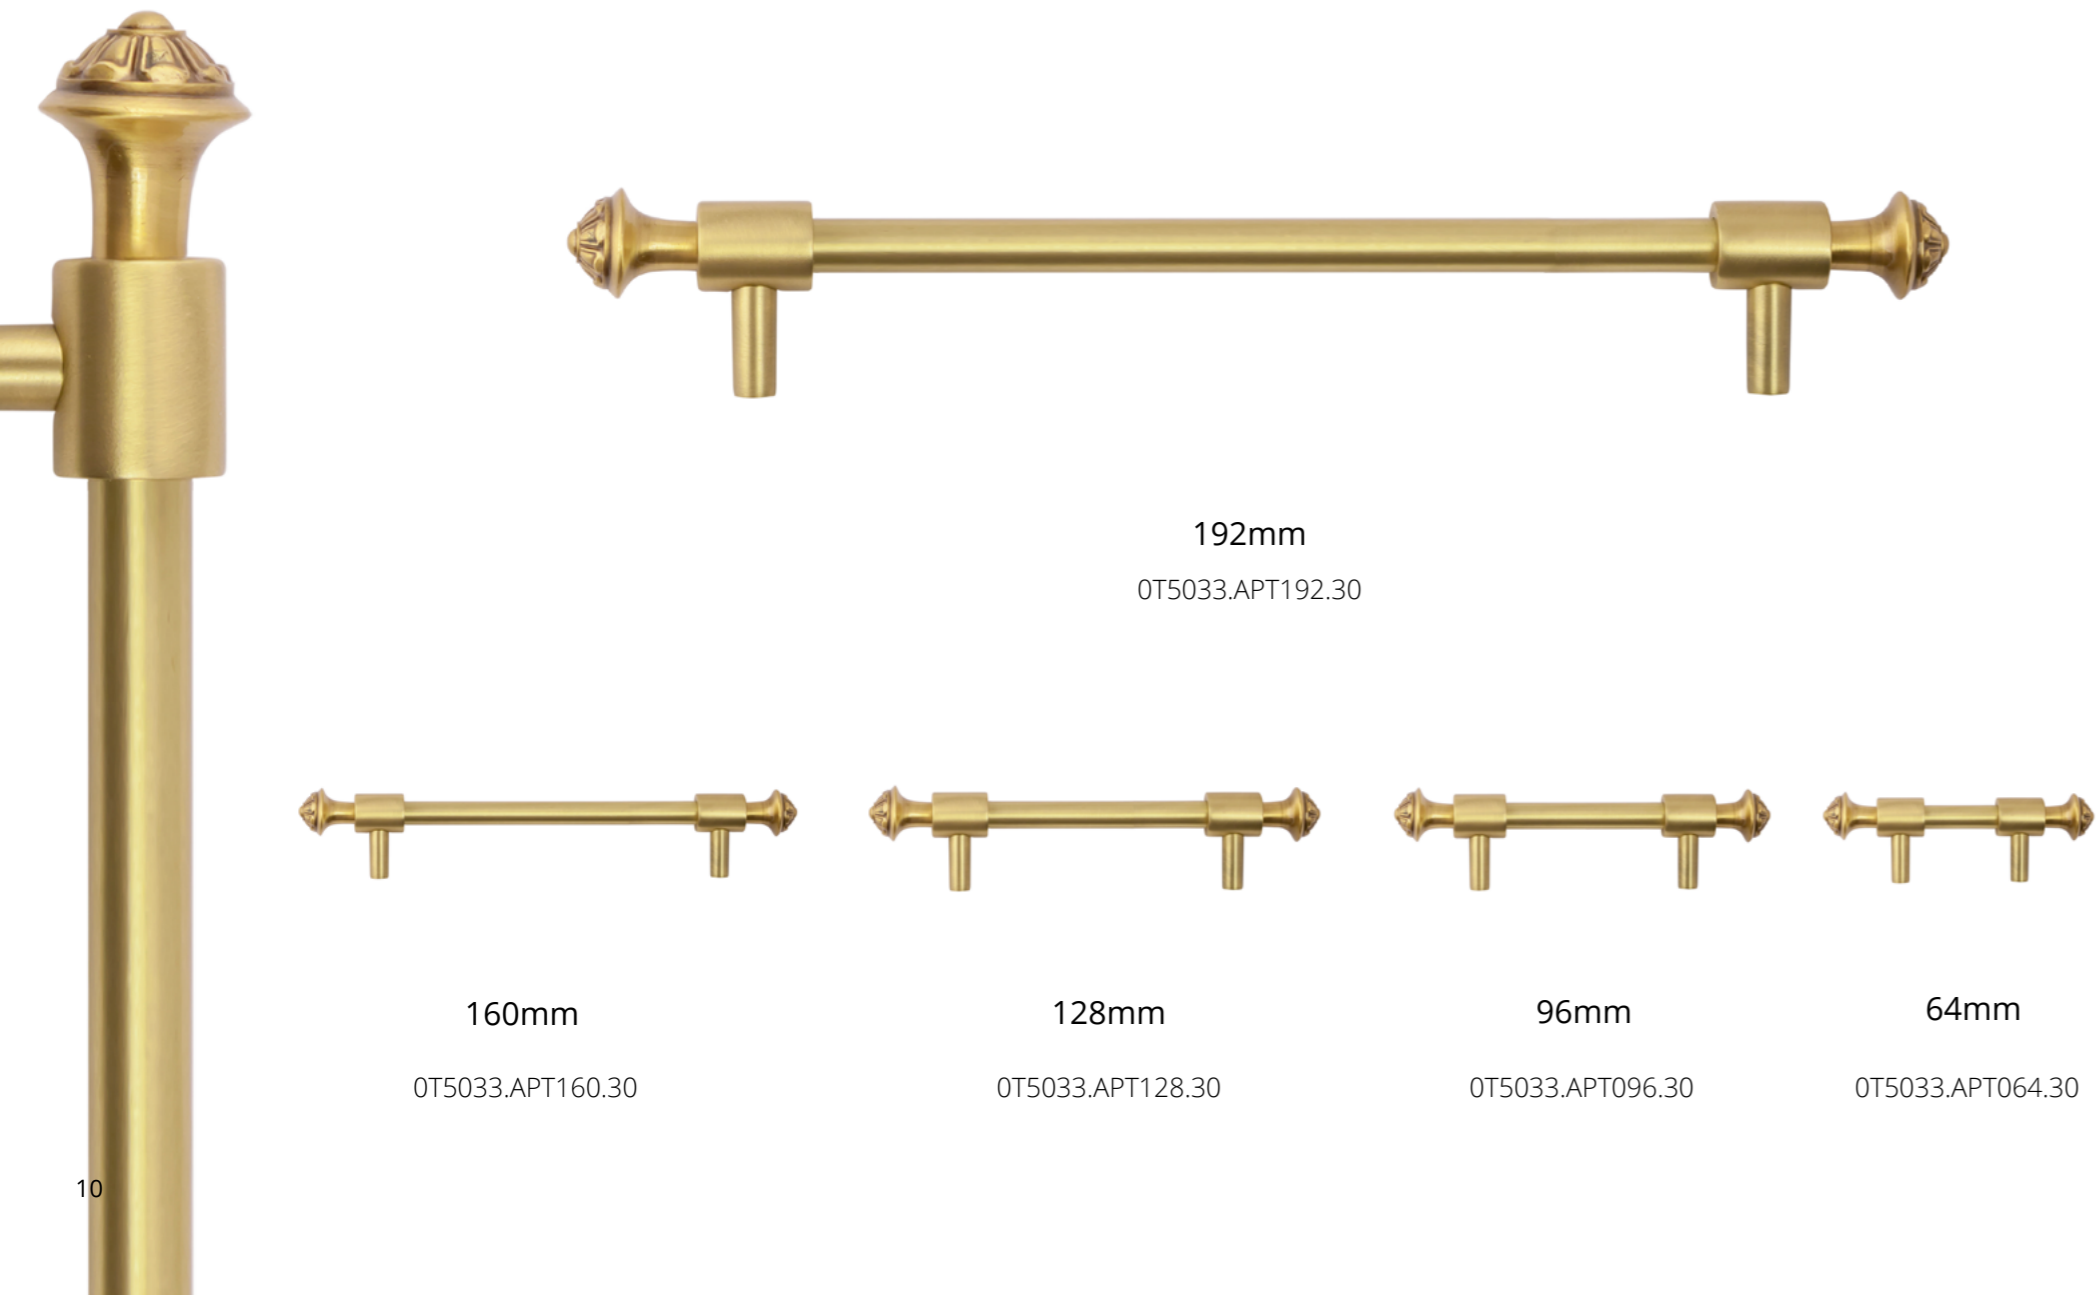

The essence of our production philosophy lies in the constant search for perfection. Each piece in this collection must shine like an elegant jewel for the home, which is why our master craftsmen delicately work each piece in pursuit of the highest quality and perfection.

These elegant and contemporary furniture handle designs can be combined with our faucet collections, as they share the same style and handcrafted details.

FURNITURE HANDLES WITH DECORATIVE GEMSTONES

NATURAL MAGNETISM

Feel the magnetism of nature through this jewellery-like collection with gemstones.

Natural stones such as quartz from igneous rocks that crystallise deep in volcanic magma, tiger's eye with its captivating veins full of contrasts, malachite with its characteristic hypnotic green hue, or the precious bluish lapis lazuli that transports you to the depths of the earth, give this simple and elegant handle design a unique touch of distinction.
